

Principal noted that we will specifically be focusing on students with disabilities in this goal

Amount allocated is \$10,604 in Sup C. Goal 1b action 1 incorporates GLAD strategies into lesson design, \$1,000 in Title 1 is allocated. Goal 1b action 2 provides small group differentiated instruction to build receptive language through focus on academic vocabulary through extended learning opportunities. No funds are allocated in this section at his time. Goal 2 Stayed the same, \$1,000 in Title 1 is allocated at this time. Principal shared unfunded school site council priorities. She shared that she added playground equipment. She brought up MyOn and liked the program because of the Spanish resources they give. She wants to add it, but it can be expensive, if there are more funds in the future then she can buy it. She asked committee members if they have used MyOn and if they have they can

Presented Chairperson/President or

Discussion/Comments: Principal thanked Rosio Merino for being chairperson and always contributing to the council. Rosio Merino gave thanks and was happy to be part of the committee. Principal shared
