## PRESS RELEASE

**FOR IMMEDIATE RELEASE** | February 28, 2018 | Fontana, CA  
Alexandra Ortega is one of just 300 students in the country to receive the 2018 Gates Scholarship, covering all expenses of her academic pursuits at UCLA.

Alexandra Ortega – a high-achieving AP scholar and student-athlete with a 4.63 GPA – plans to study biochemistry before going to medical school and becoming a doctor.

“I love helping people and working in medicine is a way to make a difference in the lives of others,” Ortega said. “Healthcare is universal, because everyone needs it at some point, so this seems like a way to make a big impact.”

First awarded in 2018, the all-expense-paid scholarship is offered by the Bill and Melinda Gates Foundation. The Gates Scholarship will be given to 3,000 minority high school seniors over the next decade, funding the full cost of college not already covered by other financial aid and the expected family contribution determined by the Free Application for Federal Student Aid.

“It can be stressful to figure out how to pay for college, so I am very grateful to receive this scholarship,” Ortega said. “I’m very excited to be able to focus on getting my degree and working toward my goals.”

To be eligible, students must also be Pell Grant-eligible, maintain at least a cumulative weighted 3.3 GPA, enroll in a four-year college or university and demonstrate leadership ability and exceptional personal success skills, such as perseverance and service to community.

Ortega’s desire to help others is well-known on the FoHi campus and community, where she is a member of the California Scholarship Federation, Key .78 (2 (t)06 Tw 1.97(o)( d)2.2 (e)-3 ( F)1. (io)-6.6 (h)13.6 (t)-C2(8 (2 a
