Fontana Unified High School Senior Receives \$40,000 Edison International STEM Scholarship

FONTANA, CA – Henry J. Kaiser High School senior Jashandeep Lobana – a scientifically curious scholar-athlete and avid volunteer – has been named a 2019 Edison International Scholar, receiving a \$40,000 scholarship toward his pursuit of a college degree.

Lobana, a tri-sport athlete and AP scholar with a 4.8 GPA, juggles a full before I came into high school, all my teachers have been able to do it without them. I'm really humbled b

Edison International representatives, Kaiser High teachers and staff, and Lobana's family surprised him with the scholarship announcement during a ceremony on March 26.

Edison International awards \$1.2 million annually to seniors who are career in neuroscience.

"Jash is an outstanding student and human being who the moment he set foot on the Kaiser campus," Kaiser High excellence at Kaiser High School, and this scholarship achievements."
